Verify_RetailFX_Calculator

The image shows a mobile application interface for foreign currency conversion. At the top, there is a status bar with the time 5:24, signal strength, and battery level at 100%. Below the status bar, the app's title "Foreign Currency" is displayed with a back arrow on the left. Underneath the title, there are four white rounded rectangular buttons with icons and text: "Watchlist" (document icon), "Currency Calculator" (calculator icon), "Rate Alert" (bell icon with a plus sign), and "Order Status" (clock icon). Below these buttons, the section "Your Accounts" is visible. It contains a blue rounded rectangular card with the text "Foreign Currency", the number "7640 1602 6795", and the amount "RM 0.00". At the bottom of the screen, there is a large yellow rounded rectangular button with the text "Convert Currency". The entire app interface is set against a light gray background.
